Goal: To create a library of downloaded videos that can be used to build background knowledge or be written about.

GECO Your Way to Downloading and Using YouTube Videos in Education

- Go to www.zamzar.com with your videos URL address.
 - Ex... http://www.youtube.com/watch?v=_LHoyB81LnE

The screenshot shows the Zamzar website interface with three tabs: "Convert Files", "Download Videos", and "Manage Files". Below the tabs are four steps:

- Step 1:** Select files or [URL](#) to convert (up to 100MB - [want more?](#))
- Step 2:** Choose the format to convert to:
- Step 3:** Enter your email address to receive converted files:
- Step 4:** Convert (by clicking you agree to our [Terms](#))

- Enter the URL of the video you want to convert
- Convert the video to your preferred movie format using www.zamzar.com
 - We like .avi for use with PowerPoint!
- Open up and insert your movie into the video connection PowerPoint template, found at <http://alltogether.wordpress.com/2008/06/05/downloading-youtube-videos-for-education> or use the preferred software of your choice. (ICS, Clicker, etc.)
 - Modify the template with a title, etc.
 - Insert your video in the right spot. Resize as necessary.
 - Make sure to cite the URL on the back page.
